

SCRUM Meeting 3 for Project 3

Prepared by: Nathan Cornelius

Meeting Date: 11/4

Meeting Attendees

1. Nathan Cornelius
2. Anthony Huang
3. Carson Coen
4. Nick Truong
5. Ethan Ghoreishi

Meeting Agenda Items

- Discuss how sprint 1 was handled (what went well and bad)
- Discuss what we finished in sprint 1
- Discuss the tasks we are going to start on early on in sprint 2

Status Update Since Last Meeting

Accomplishments:

- Dynamically adding buttons to cashier to database
- Made progress on chatbot
- Made sure there was consistency across all pages
- Work on order confirmations
- Got information from database for manager views and tested via individual pages

Tasks Completed:

Task Description	Assigned to	Completed? (yes/no)
Create Order Confirmation page for Customer Kisok	Ethan	Not Quite

Consistent Styling for all pages (pictures and font)	Nick	Yes
Connect frontend to backend for cashier view to dynamically populate items to add to order	Carson	Yes
Update cashier view to correctly display each order added to total transaction	Carson	Yes
Cashier transactions update the database transactions	Carson	Yes
Begin working on manager stats pages by pulling data from the database	Nathan	Yes

Before The Next Meeting

Plans:

- Each person should continue on with the tasks they have previously completed in order to improve their functionality.

Task Assignments:

Task Description	Assigned to
Begin working on more manager statistic pages	Nathan
Create Order confirmation page for customer kiosk	Ethan
Work on APIS and chatbot	Anthony
Adding shopping cart functionality	Nick
Also started on the drinks page	Anthony

Connect manager stats pages to the manger view page	Nathan
Flesh out cashier functionality to add more constraints to guide cashier	Carson
Add drinks to cashier view	Carson
Connect customer orders to database	Ethan

Minutes from Previous Meeting

In the last meeting we discussed basic tasks to get the MVP of our project up and running. Since then we all specialized in a certain view and developed additional tasks to improve the functionality of that page we were specializing in as discussed in the previous meeting.
